

International Environmental Distinctions for [Creta Maris Hotel](#)

The [Creta Maris Hotel](#) situated in Hersonissos Crete and belonging to the [Maris Hotel Chain](#) has obtained two new environmental awards, confirming once again the chain's friendly philosophy towards the environment.

The luxury resort received the award "Environmental TUI Champion 2005" from TUI, ranking it in the top 100 hotels in the world with which TUI cooperates. This evaluation is based on TUI's check-list for all cooperating hotels and on the clients' opinion relating to the hotel's environmental activities in questionnaires which are filled in by them.

The "Green Planet award" was the second award received by [Creta Maris Hotels](#) from Kuoni Switzerland concerning its environmental policy. This particular award is based on strict criteria in the management of water, energy, waste disposal and staff training in matters of the environment, etc.
