

Creta Maris Green Team

Environmental Actions 2012

HERSONISSOS, CRETE, May 21, 2012: In an effort to protect the environment, the Creta Maris Green Team -the environmental team of Creta Maris Beach Resort in Hersonissos, Crete- organized an event in order to preserve and protect the environment and natural heritage of the Hersonissos coastal zone on May 16, 2012. It should be noted that the maiden launch was a great success, given the significant involvement of clients and staff of the hotel.

Creta Maris Green Team consists of volunteers - employees and intends to participate in activities related to environmental protection, such as cleaning public areas, beaches, planting trees etc. supporting and contributing the actions of the public sector as the Region of Crete, the Prefecture of Heraklion, the Heraklion Prefecture Municipalities etc. To summarize, the hotel Creta Maris Beach Resort with this activity, aims to increase the "green" - environmental awareness of all citizens in order to maintain a clean environment, which is a brilliant testament to future generations.

Creta Maris Beach Resort belongs to Metaxa's Group of Companies and operates since 1975. It has a capacity of 675 rooms, suites and bungalows, 6 restaurants, 7 bars, 7 swimming pools, gym, Spa, Asterias Children's Club, and many places for outdoor and indoor activities for children and adults.
