FOR IMMEDIATE RELEASE

CRETA MARIS GREEN TEAM TAKE ACTION TO PROTECT THE ENVIRONMENT

HERSONISSOS, CRETE, June 16 2012- Creta Maris Beach Resort Green Team organized a seminar in the Apollo room concerning the recycling procedures. The staff and the guests were informed about the hotel's effort to protect the environment by recycling garbage such as glass, oil, paper, light bulbs, appliances, & batteries, etc. The hotel also organized a tour around the areas where the garbage sorting takes place. A significant number of guests and employees participated in this event, making it a huge success.

Creta Maris Green Team, strives to spread environmental awareness and encourage the residents of Crete to contribute all they can to maintain a clean environment.

The Green Team's mission is to support the Region of Crete, the Region of Heraklion and Heraklion Regional Municipalities by contributing towards activities related to environmental protection, such as cleaning public areas, beaches, planting trees etc.

Creta Maris Beach Resort belongs to Metaxa's Group of Companies and has been operating since 1975. It has a capacity of 675 rooms, suites and bungalows, 6 restaurants, 7 bars, 7 swimming pools, gym, spa, Asteria Children's Club, and many places for outdoor and indoor activities for children and adults.

Hotel Photos are available in high resolution on our site <http://www.maris.gr/media/image-library.aspx>
