## FOR IMMEDIATE RELEASE

### CRETA MARIS GREEN TEAM & JUNIOR ACADEMY TOGETHER FOR THE ENVIRONMENT

**HERSONISSOS, CRETE, July 01st 2014** - On the occasion of the Recycling Day and on an effort to increase awareness and encourage the residents of Crete to contribute all they can to maintain a clean environment, on June 30th 2014, Creta Maris Green Team invited for second consecutive year the private model kindergarten of Hersonissos, Junior Academy, to spend the day in the resort's areas.

The purpose of the visit was to inform children about the effort to protect the environment by recycling trash such as glass, oil, paper, light bulbs, appliances and batteries. The 61 children, aged up to 5 years old, visited the garbage sorting and recycling areas of the resort and saw how a large company can easily give a "breath on the planet".

Following, the kids spent the day in the resort's organic field where they visited the animals and picked zucchini from the garden and eggs from hens with which the chef later prepared for them a traditional Cretan recipe "sfougato" to eat.

Creta Maris Green Team consists of volunteers - employees at the Creta Maris Hotel and aims to participate in activities related to environmental protection, such as cleaning public areas, beaches, planting trees etc. The Green Team's mission is to support the Region of Crete, the Region of Heraklion and Heraklion Regional Municipalities passing a "green" message to all citizens in order to contribute greatly to maintaining a clean environment, which will be a brilliant legacy for future generations.

Creta Maris Beach Resort belongs to Metaxa's Group of Companies and has been operating since 1975. It has a capacity of 680 rooms, suites and bungalows, 6 restaurants, 7 bars, 7 swimming pools, gym, Hammam Spa, Asteria Children's Club, and many places for outdoor and indoor activities for children and adults.

For more information or clarification please contact the group Creta Maris Beach Resort in phone 28970 27000.
