from the capital town of Fira and 17km from Santorini International Airport and the new port "Athinios". The guests of the hotel will have the option of four exterior pools or their own private, outdoor Jacuzzi, while those who will choose to stay in one of the villas will have the opportunity to relax in their own private, outdoor pool. In addition, the hotel will offer high quality meals at the thematic restaurant "Alios Ilios" and delicious drinks at the outdoor pool bar.

With the island of Santorini universally known in the circles of the newlyweds, Santo Maris Oia Luxury Suites & Spa will be one of the most alluring destinations, as the area of the hotel hosts a two-aisled Church Saint George (the hotel began its construction on the celebration day of St. George) and Santa Maria Soumela, which is ideal for the special day of every couple. Furthermore, the hotel will offer a wide range of beauty and relaxation treatments, which guests will be able to enjoy at the spa located on the hotel's premises. High quality services of Santo Maris Oia Luxury Suites & Spa along with its 24-hour service will aim the absolute commitment of providing excellent, guest centered hospitality services.

Maris Hotels have practically proved over the years their significant contribution to the environment, humans and society of Crete. Therefore the group commits to pass on and establish these values in the Santo Maris Oia Luxury Suites & Spa's philosophy!
