

PRESS RELEASE
May 2015

TripAdvisor - Certificate of Excellence 2015: For one more time, Creta Maris on the top of the travelers' preferences!

Every year, TripAdvisor® rewards the Certification of Excellence to companies that receive through this travel site, consistently great reviews from travellers. This year, once again, and after receiving the "Travelers' Choice 2015" award, Creta Maris is honoured by receiving "**Certificate of Excellence 2015**".

According to TripAdvisor, only 10% of companies reported to receive the Certification of Excellence. This accolade, which honours companies with excellent hospitality, is given only to establishments that consistently achieve outstanding travellers' reviews on TripAdvisor, and is extended to qualify businesses worldwide. Establishments awarded with the Certificate of Excellence are located all over the world and represent the upper echelon of businesses listed on the website. As additional criteria the volume of reviews, received within the last 12 months, is included.

For Creta Maris all the travellers' reviews are not just another confirmation of the excellent services and products it offers, but it is the key for its continuous development and the establishment of interactive communication between the hotel and its audiences. All the reviews -negative and positive- are getting read, replied and ultimately taken into account by the administration of Creta Maris with the sole objective to improve its services in the future.

"We are proud to receive a confidence vote from our guests. We are not being arrogant or complacent, but we continue our journey, improving our services while we hope to receive an excellent mark next year!" Andreas N. Metaxas, CEO of Creta Maris Beach Resort.
