

Kastri/ Creta Maris beach: A Sustainable Beach of the Mediterranean

In the presence of 90 scientists and researchers from around the world, in the context of "2018 International Sandy Beaches Symposium"

The beach of **Creta Maris Beach Resort** was awarded as one of the best privately exploiting sustainable beaches in the Mediterranean, by receiving the certification "**Sustainable Beach of the Mediterranean**" by **Costa Nostrum - Sustainable Beaches program**.

The official award ceremony, which took place on Saturday 26th of May, at Creta Maris' premises, was attended by 90 scientists and researchers from all over the world, who were participating in the "2018 International Sandy Beaches Symposium", which this year was hosted by the Institute of Marine Biology, Biotechnology and Aquaculture of HCMR, in Crete.

On the occasion of this award, the Chairman and Managing Director of Metaxas Group of Companies, Mr. Andreas Metaxas stated the following:

"We are more than happy to receive the "Sustainable Beach of the Mediterranean" award for Creta Maris beach, as beside the provision of authentic and high-quality accommodation services, which are the core of our philosophy, the environment is in our main interests.

About Creta Maris Beach Resort:

Creta Maris Beach Resort with a capacity of 680 rooms, has been originally launched in 1975 and is situated next to Hersonissos, just 25 minutes (24km) from the Heraklion Airport. With a capacity of 680 rooms, suites and bungalows, 6 restaurants, 7 bars, 7 swimming pools, gym, Hammam spa, Asterias Children's Club, and a great space for outdoor and indoor activities, Creta Maris is a blend of tradition and luxury together on a beautiful beach with crystal clear waters where guests can experience the authentic Cretan hospitality.

About Costa Nostrum:

The Certification Standard for Sustainable Management and Development of the Mediterranean Beaches - Costa Nostrum® is an original and innovative "tool" that can objectively guarantee the sustainable development of the Mediterranean beaches, primarily by defending the environment, greatly contributing to the financial development of the region around sustainable Costa Nostrum® beaches and, of course by ensuring social cohesion and prosperity of the citizens of the region.
