

Everything one has to know about Creta Maris and Crete on the brand-new blog.cretamaris.gr

For an authentic holidays' experience on Crete #AuthenticXperience

With the aim to provide the best possible information of Crete and the **authentic holidays' experience** that it offers, **Creta Maris Beach Resort** created the brand-new blog.cretamaris.gr, which is now available to both hotel guests and the public.

Specifically, blog.cretamaris.gr was created so everyone could be informed about Crete and all the experiences that the island has to offer as a tourist destination, but also with a view to further promote the **"We do local"** philosophy of Creta Maris.

The new Blog offers an even easier navigation and the possibility to fully enjoy the website's features regardless the type of device they use (laptops, smartphones, tablets, etc.), while it also "travels" them to Crete, by providing comprehensive information on the unique activities they may participate during their stay.
