At the Apollo Hall of Creta Maris Beach Resort, the cosmonauts attended the signing of the agreement between the Aerospace Medical Center of Russia and the Spa management company "Aegeo Spas Leading Spa Management Solutions", which concerns the rehabilitation of the Russian cosmonauts in Greece.

Specifically, Dr. Mihail Potapov, the representative of the Aerospace Medical Center of Russia, and Mr. Zacharias Charnis, the Head of Aegeo Spas Leading Spa Management Solutions, signed a cooperation agreement under which Aegeo Spas Leading Spa Management Solutions undertakes the rehabilitation of the Russian cosmonauts at its wellness centers after their return from the International Space Station. Moreover, in the context of the joint implementation of rehabilitation programs, the agreement includes regular communication between the two sides to exchange the know-how, the scientific information on innovations and patents and the information on issues of common interest.

The event was honored by the presence of the active Russian cosmonauts Anton Skaplerov and Sergei Prokopiev.

The General Manager of Creta Maris Beach Resort, Mr. Nikos Vlassiadis stated the following: *"The signing of the agreement for the rehabilitation of Russian cosmonauts in Greece, is a special moment for us, as it took place in Creta Maris Beach Resort and it is of a great honor. We will be happy to accommodate Russian cosmonauts again on our premises, thus contributing to their rehabilitation after their long stay in space."*
