*“TUI Umwelt Champion 2020” & “TUI Top Quality 2020” Awards*

For third consecutive year, **Creta Maris Beach Resort** has emerged as a top-quality but also as one of the “greenest” resorts, by receiving two great distinctions, the “**TUI Umwelt Champion 2020**” and “**TUI Top Quality 2020**” awards, from the **world’s leading tourism group TUI!**

With particularly strict criteria, the “**TUI Umwelt Champion 2020**” award received by Creta Maris Beach Resort is one of the most important distinctions awarded by TUI, as the rating is given by the visitors themselves to those hotels that take actions to protect the environment and implement a sustainability program.

The **Sustainability Program of Creta Maris** is a key pillar of the resort’s operation, as reflected in the Sustainability Report that Creta Maris publishes the last six years, presenting in detail all the relevant actions.

The second distinction, “**TUI Top Quality 2020**”, rewards the overall holidays’ experience enjoyed by the guests while staying at the hotel. This year, the guests of the resort, distinguished Creta Maris as one of the best hotels for its high quality services and the provision of hospitality that focuses on people.
